

**Gift Bricks**® To be placed in front of the Fort Worth NCHA Office surrounding the Jim Reno sculpture, "The Finalist".

# BUY A BRICK...BUILD A FOUNDATION

## Celebrating 30 Years of the NCHA Foundation

In 1982, because of forethought of NCHA members, the NCHA established its 501c-3 Charitable Foundation. Over its history, the Foundation has provided nearly \$2 million in youth scholarships and crisis funding. The work of the individuals who started and grew the NCHA Foundation has been invaluable throughout the past 30 years, and in the coming years there is even more the Foundation can do.

With the tremendous gain in popularity among equine enthusiasts, the growth of the association's membership and the amount of prize money available; the NCHA efforts to strengthen the endowment and continue the growth of the Foundation, are top priority.

The Foundation benefits the association by preserving its history, providing youth scholarships and activities, crisis funding, education and promotion of the sport, horse and animal welfare, and much more. Help us to ensure that the growth of the NCHA in the next 65 years far surpasses the growth of the first 65; and that our 30-year-old Foundation is the driving force in serving the next generations of cutters.

# YES! ETCH MY NAME IN NCHA HISTORY!

*with a personalized brick.*

Contributions to the NCHA Foundation provide the opportunity for us to create an endowment to preserve, promote and advance cutting for generations.

***When you sponsor a brick, you are creating a lasting legacy of your support.***
